Dear Mr. Lawson:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-For future reports, please be advised that loan payments to the candidate are not operating expenditures. These amounts should be disclosed on Line 19(a) of the Detailed Summary Page information and itemized on a separate Schedule B. (11 CFR §104.3(b)(2))

-The loan payment(s) indicated on Schedule B does not equal the loan payment(s) itemized on Schedule C. Each loan payment made by the committee must be itemized on Schedule C, regardless of the amount of the payment. Please correct this discrepancy and file an amendment to your report. (11 CFR §104.3(b)(4)(iii) or (iv))

-Your committee has previously established that it has been using "best efforts" to obtain the occupations and names of employers for contributors. This report discloses a significant increase in the number of entries for which the occupations and/or employers are not provided. Please note that the committee must make, in addition to the original solicitation, at least one additional written or oral request for the information within 30 days of the receipt of the contribution. A written request may not include an additional solicitation or material on any other subject, other than thanking
